

# NORTH YORKSHIRE COUNTY COUNCIL

## Access to Information Procedure Rule 4

### Further Notice of Private Item - Schools Capital Maintenance Programme 2017/18

The County Council's Constitution provides that at least 28 clear days before a private meeting (a meeting, or part of a meeting, of the executive decision making body during which the public are excluded) the executive decision-making body must give notice of its intention to hold the meeting in private (including a statement of the reasons for holding it in private) by making the notice available at County Hall and at the venue for the meeting (if different) and publishing it on the Council's website.

The Constitution further provides that at least five clear days before a private meeting, the executive decision making body must give **further** notice of its intention to hold the meeting in private including:

- a statement of the reasons for holding it in private;
- details of any representations received about why the meeting should be open to the public; and
- a statement of its response to any such representations

by making the notice available at County Hall and at the venue for the meeting (if different) and publishing it on the Council's website

It is anticipated that on 13 June 2017 a report by the Corporate Director Children and Young People Service regarding the '**Schools Capital Maintenance Programme 2017/18**' will be considered by the Executive. The intention to make this key decision is published on the Forward Plan.

Two appendices of the report will contain exempt information as described in paragraph 3 of Part 1 of Schedule 12A to the Local Government Act 1972 (as amended) ("Information relating to the financial or business affairs of any particular person (including the authority holding that information)") and it is considered that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. This part of the meeting may therefore be held in private.

A notice giving the required 28 days' notice of the intention to hold this part of the Executive meeting in private was published on 15 May 2017 and confirmed that any representations as to why this part of the meeting should be held in public should be sent to:

To date, no representations have been received as to why this part of the meeting should be held in public.

It is therefore intended that this matter shall be considered in private by the Executive on 13 June 2017 for the reasons set out earlier in this notice.
