

NORTH YORKSHIRE COUNTY COUNCIL

Access to Information Procedure Rule 4

Further Notice of Private Item - development of integrated health and social care in Scarborough and Ryedale

The County Council's Constitution provides that at least 28 clear days before a private meeting (a meeting, or part of a meeting, of the executive decision making body during which the public are excluded) the executive decision-making body must give notice of its intention to hold the meeting in private (including a statement of the reasons for holding it in private) by making the notice available at County Hall and at the venue for the meeting (if different) and publishing it on the Council's website.

The Constitution further provides that at least five clear days before a private meeting, the executive decision making body must give **further** notice of its intention to hold the meeting in private including:

- a statement of the reasons for holding it in private;
- details of any representations received about why the meeting should be open to the public; and
- a statement of its response to any such representations

by making the notice available at County Hall and at the venue for the meeting (if different) and publishing it on the Council's website

It was anticipated that on 25 July 2017 a report by the Corporate Director Health and Adult Services regarding the development of integrated health and social care in Scarborough and Ryedale would be considered by the Executive. The report will now be considered at the meeting of the Executive on 15 August 2017. The intention to make this key decision is published on the Forward Plan.

The report will contain exempt information. The information anticipated to be contained in the report is classed as exempt as it is commercially sensitive information and it is considered that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. This part of the meeting may therefore be held in private.

A notice giving the required 28 days' notice of the intention to hold this part of the Executive meeting in private was published on 23 June 2017 and confirmed that any representations as to why this part of the meeting should be held in public should be sent to:

To date, no representations have been received as to why this part of the meeting should be held in public.

It is therefore intended that this matter shall be considered in private by the Executive on 15 August 2017 for the reasons set out earlier in this notice.
