

# **NORTH YORKSHIRE COUNTY COUNCIL**

## **Access to Information Procedure Rule 4**

### **NOTICE OF PRIVATE ITEM**

#### **Land at New Farm, Green Hammerton** **- approval of terms for variation of restrictive covenants**

The County Council's Constitution provides that at least 28 clear days before a private meeting (a meeting, or part of a meeting, of the executive decision making body during which the public are excluded) the executive decision-making body must give notice of its intention to hold the meeting in private (including a statement of the reasons for holding it in private) by making the notice available at County Hall and at the venue for the meeting (if different) and publishing it on the Council's website.

It is anticipated that on 5 September 2017 a report regarding the approval of terms for the variation of restrictive covenants re land at New Farm, Green Hammerton, will be considered by the Executive. The intention to make this key decision is published on the Forward Plan.

It has recently become apparent that the report will contain exempt information. The information anticipated to be contained in the report is classed as exempt as it is commercially sensitive information and it is considered that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. This part of the meeting may therefore be held in private.

This Notice gives the required 28 days' notice of the intention to hold this part of the Executive meeting in private.

Should you wish to make any representations as to why this part of the meeting should be held in public, please contact me using the details below:
