

North Yorkshire Police and Crime Panel

20 July 2017

Work Programme

1 Purpose of Report

1.1 To invite the Panel to consider its work programme.

2 Background

2.1 The Panel is responsible for setting its own work programme taking into account the tasks that the Panel must undertake and the priorities defined by the Commissioner within the context of the Police and Crime Plan.

2.2 A work programme will enable the Panel to plan and focus on how it will effectively support and provide challenge to the Commissioner. The Panel and OPCC liaise to ensure that the Panel's work programme achieves this through timely and appropriate consideration of items.

2.3 The schedule provided at Appendix A therefore takes into account any developments since the last Panel meeting in relation to the timing of other review or scrutiny processes, for example via the NYP Corporate Scrutiny Board. It also reflects any matters which your Chair or Vice Chairs believe should be reviewed at some point during the year.

3 Recommendation

3.1 It is recommended that the Panel considers and agrees its current work programme.
