

Deputy Police and Crime Commissioner Work Plan

Job purpose:

- To put the public first
- Support the PCC in delivering her manifesto
- Support the PCC in holding the CC to account
- Give North Yorkshire a voice in Westminster

Long term outcomes and objectives

Putting the public first:

- Better engagement with the public
- Better understanding of public concerns, continuing approach to research and consultation

Support the Commissioner in delivering her manifesto:

- Boosting the frontline
- Protecting the vulnerable
- Supporting rural communities
- Save and protect via collaboration
- Improving 101
- Speaking up for North Yorkshire

Assisting the PCC in holding the Chief Constable to account:

- Develop the performance management framework focussed on customer service
- Working with the Deputy Chief Constable across the range of policing issues, specific and thematic
- Oversee and implement changes to the complaints process
- Develop a market-leading approach to monitoring satisfaction

Give North Yorkshire a voice in Westminster

- Exert influence over national policy
- Fight for a fair settlement for North Yorkshire on the funding formula
- Support the PCC in Transformation and Special Capabilities work
- Explore potential for criminal justice and digital services
