Executive Members

17 November 2017

York Road, Barlby - Proposed Waiting Restriction

Report of the Assistant Director – Highways and Transportation

1.0 Purpose of report

- 1.1 The purpose of the report is to advise the Corporate Director, Business and Environmental Services (BES) and the BES Executive Members of the outcome following public consultation in regard to this proposal and for a decision to be made whether or not any waiting restrictions should be introduced in York Road in view of the objection received.

2.0 Background

- 2.1 York Road, Barlby is a residential street and serves the local Pharmacy. Residential properties have the benefit of off-street parking which are accessed from York Road, none rely on on-street parking.
- 2.2 The proposals, which comprise introducing no waiting at any time restrictions are in response to a request made by local residents in relation to kerbside parking on York Road, at the location as shown on Plan 1. Parking in this locale can cause problems of obstruction and restricted visibility in particular for drivers emerging from Hawthorn Drive on to York Road.

3.0 Consultation

- 3.1 The proposals have been the subject of consultation and public advertisement in accordance with the Local Authorities' Traffic Orders (Procedure) (England and Wales) Regulations 1996. The proposals as advertised are shown on Plan 1 attached.
- 3.2 At the conclusion of the advertising stage, eight letters were received, seven letters in support of the proposals and one against. The objector comments are summarised in Appendix A, together with your Officers comments.
- 3.3 County Councillors Stephanie Duckett and Karl Arthur (the ward members representing Barlby) were contacted during the consultation on their views to the proposals and both Members are supportive of the proposals.

4.0 OFFICER COMMENTS

- 4.1 The site was investigated and it was considered the most appropriate option was to introduce a length of No Waiting at Any Time restriction by means of a Traffic Regulation Order. Your Officers consider that the proposed restrictions will assist in addressing the road safety problems which have been observed to occur on site and thereby enable the County Council to comply with its duty under Section 122(1) of the

Road Traffic Regulation Act 1984 to exercise their functions as road traffic authority so as to secure the expeditious, convenient and safe movement of vehicular and other traffic (including pedestrians) and the provision of suitable and adequate parking facilities on and off the highway, as set out in the Statement of Reasons for proposing to make the Order attached to this report as Appendix B. The introduction of waiting restrictions will also enable Civil Enforcement Officers to issue Penalty Charge Notices where vehicles park in contravention of the provisions of the Traffic Regulation Order. On-street parking will be permitted in some areas on York Road, thus providing associated traffic calming benefits that will contribute to keeping vehicle speeds commensurate with the 30mph speed limit along this road.

- 4.2 Your Officers therefore consider it expedient that the proposed waiting restrictions on York Road, Barlby be implemented as advertised.

5.0 Equalities Implications

- 5.1 Consideration has been given to the potential for any equality impacts arising from the recommendation. It is the view of officers that the recommendation does not have an adverse impact on any of the protected characteristics identified in the Equalities Act 2010. A copy of the Equalities Impact Assessment Screening form is attached as Appendix C.

- 5.2 As part of the consultation exercise Selby and District Dial, who provide help and advice for disabled people, were consulted and found no grounds for objecting to the proposals being implemented.

6.0 Financial Implications

- 6.1 The cost of advertising the Traffic Regulation Order and installing the signs is estimated at approximately £1,300 which will be funded from the local Area Highways Office (Signs Lines and TROs) budget.

7.0 Legal

- 7.1 A new process for the consideration of objections to traffic regulation orders was approved by the Executive on 29 April 2014 and County Council on 21 May 2014. The consideration of objections to Traffic Regulation Orders (TROs) is now a matter for the Executive and the role of the Area Committee is changed to a consultative role on wide area impact TROs. The consideration of objections has been delegated by the Executive to the Corporate Director of Business and Environmental Services (BES) in consultation with BES Executive Members. The new decision making process relates to the provision and regulation of parking places both off and on the highway where an objection is received from any person or body entitled under the relevant statute. A wide area impact TRO is classed as a proposal satisfying all of the three criteria set out below:
- The proposal affects more than one street or road and,
 - The proposal affects more than one community and,
 - The proposal is located within the ward of more than one County Councillor.

- 7.2 Where an Order has been made (sealed), if any person wishes to question the validity of the Order or any of its provisions on the grounds that it or they are not within the powers conferred by the Road Traffic Regulation Act 1984, or that any requirement of the 1984 Act or of any instrument made under the 1984 Act has not been complied with, they may apply to the High Court within six weeks from the date on which the Order is made.
- 7.3 The proposed TRO has not been classed as a wide area impact TRO and therefore the Area Committee's views have not been sought.
- 7.4 The relevant local members have been provided with a copy of this report and have been invited to the meeting on 17th November 2017.

8.0 Recommendations

8.1 It is recommended that: -

- a) The proposed waiting restrictions on York Road, Barlby shown on Plan 1 and as advertised are implemented by making a Traffic Regulation Order under the Road Traffic Regulation Act 1984.
- b) The Objectors are advised accordingly and notified of the making of the Order within 14 days of it being made.

BARRIE MASON
Assistant Director Highways and Transportation

Author of Report: Gary Lumb

Background Documents: Letter of objection received is held in the scheme file in the Area 7 (Selby) Highways Office.

APPENDIX A

Summary of Comments

Owner of Pharmacy

1. This will have a negative impact on my business. There has never been a time where customers parking has caused any obstruction as the shop front is free of cars. We have customers with different medical conditions and we run a delivery service so we will need to load and offload medical supplies.

Officer Comments

1. The parking issues are caused by residents from adjoining streets or commuters to York. Blue Badge Holders are exempt from the restrictions and will be able to park for up to 3 hours. Although the proposed restrictions prevent waiting, the restrictions do not prevent you from loading and offloading goods from the vehicle.

PROJECT: 2017 TRAFFIC REGULATION ORDER REVIEW - AREA 7
DRAWING TITLE: YORK ROAD, BARLBY

AREA:	AREA 7
DATE:	2017
SCALE:	NTS
DRAWING No.:	A7-GD-TRO2017-FRB1

PROPOSED INTRODUCTION OF WAITING RESTRICTIONS AT YORK ROAD, BARLBY

STATEMENT OF THE COUNCIL'S REASONS FOR PROPOSING TO MAKE THE ORDER

LEGAL POWERS AND DUTIES

Under Section 1(1) of the Road Traffic Regulation Act 1984 the County Council, as traffic authority for North Yorkshire, has powers to make a Traffic Regulation Order (TRO) where it appears expedient to make it on one or more of the following grounds:-

- (a) for avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising, or
- (b) for preventing damage to the road or to any building on or near the road, or
- (c) for facilitating the passage on the road or any other road of any class of traffic (including pedestrians), or
- (d) for preventing the use of the road by vehicular traffic of a kind which, or its use by vehicular traffic in a manner which, is unsuitable having regard to the existing character of the road or adjoining property, or
- (e) (without prejudice to the generality of paragraph (d) above) for preserving the character of the road in a case where it is specially suitable for use by persons on horseback or on foot, or
- (f) for preserving or improving the amenities of the area through which the road runs; or
- (g) for any of the purposes specified in paragraphs (a) to (c) of subsection (1) of Section 87 of the Environment Act 1995 (air quality).

Section 122(1) of the Road Traffic Regulation Act 1984 also provides that it shall be the duty of every local authority upon whom functions are conferred by or under the 1984 Act so to exercise those functions as to secure the expeditious, convenient and safe movement of vehicular and other traffic (including pedestrians) and the provision of suitable and adequate parking facilities on and off the highway.

REASONS FOR MAKING THE ORDER

The County Council considers that it is expedient to make this TRO on grounds (a), (b) and (c) above, having taken into account its duty under Section 122(1) of the 1984 Act, for the following reasons:-

Location(s) of Proposed Order

York Road, Barlby [Plan A7-GD-TRO2017-YRB1]

Introduction of 'No Waiting' at any time restrictions to remove indiscriminate parking to improve forward and sight line visibility close to the junction of Hawthorn Drive. It is considered that the proposals will generally assist to secure the safer movement of vehicular and pedestrian traffic.

Traffic Officer: Victoria Day (Area 7 Highways, Selby)

CONSIDERATION OF OBJECTIONS

Under the County Council's Constitution, the consideration of objections to a proposed TRO is delegated to the Corporate Director - Business and Environmental Services (BES) in consultation with the BES Executive Members. For each TRO where there are objections, it will be necessary to bring a report to the Corporate Director - BES and the BES Executive Members seeking a decision on the consideration of the objections. The report will include the views of the relevant local member who will also be invited to the meeting that considers the report. The Corporate Director - BES may wish to refer the matter to the Council's Executive for a final decision.

A report to the relevant Area Committee will only be necessary when there are objections to a wide area impact TRO.

A wide area impact TRO is defined as a proposal satisfying all of the three criteria set out below:

- The proposal affects more than one street or road and,
- The proposal affects more than one community and,
- The proposal is located within the ward of more than one County Councillor

The report will seek the views of the Area Committee and these views will then be included in a report to the Corporate Director - BES and the BES Executive Members seeking a decision on the consideration of the objections. The Corporate Director - BES may wish to refer the matter to the Executive for a final decision.

The existing arrangements for members of the public wishing to attend or speak at committee meetings will apply and it may be appropriate for the Corporate Director - BES to have his decision making meetings open to the public, so that the public and in particular those with objections, have the opportunity to put their views across directly.

N.B. The Corporate Director - BES has delegated powers to make decisions on TROs where there are no objections.

Initial equality impact assessment screening form (As of October 2015 this form replaces 'Record of decision not to carry out an EIA') This form records an equality screening process to determine the relevance of equality to a proposal, and a decision whether or not a full EIA would be appropriate or proportionate.			
Directorate	Business and Environmental Services		
Service area	Highways & Transportation		
Proposal being screened	Proposed waiting restrictions		
Officer(s) carrying out screening	Gary Lumb		
What are you proposing to do?	Introduce no waiting at any time restrictions on York Road, Barlby.		
Why are you proposing this? What are the desired outcomes?	To prevent obstruction and to improve visibility for drivers travelling along and onto York Road, thus addressing the road safety problems which have been observed to occur on site and to comply with the County Council's duty under Section 122(1) of the Road Traffic Regulation Act 1984.		
Does the proposal involve a significant commitment or removal of resources? Please give details.	NO		
Is there likely to be an adverse impact on people with any of the following protected characteristics as defined by the Equality Act 2010, or NYCC's additional agreed characteristics? As part of this assessment, please consider the following questions: <ul style="list-style-type: none"> To what extent is this service used by particular groups of people with protected characteristics? Does the proposal relate to functions that previous consultation has identified as important? Do different groups have different needs or experiences in the area the proposal relates to? If for any characteristic it is considered that there is likely to be a significant adverse impact or you have ticked 'Don't know/no info available', then a full EIA should be carried out where this is proportionate. You are advised to speak to your Equality rep for advice if you are in any doubt.			
Protected characteristic	Yes	No	Don't know/No info available
Age		√	
Disability		√	
Sex (Gender)		√	
Race		√	
Sexual orientation		√	
Gender reassignment		√	
Religion or belief		√	
Pregnancy or maternity		√	

Marriage or civil partnership		√	
NYCC additional characteristic			
People in rural areas		√	
People on a low income		√	
Carer (unpaid family or friend)		√	
Does the proposal relate to an area where there are known inequalities/probable impacts (e.g. disabled people's access to public transport)? Please give details.	NO		
Will the proposal have a significant effect on how other organisations operate? (e.g. partners, funding criteria, etc.). Do any of these organisations support people with protected characteristics? Please explain why you have reached this conclusion.	NO		
Decision (Please tick one option)	EIA not relevant or proportionate:	√	Continue to full EIA:
Reason for decision	The proposed waiting restrictions Order will require the installation of new road markings (double yellow lines), but will not otherwise have an effect on those with Protected characteristics. Blue Badge Holders will be able to park for up to 3 hours in accordance with the Local Authorities' Traffic Orders (Exemptions for Disabled Persons) (England) Regulations 2000. Parking will be permitted in other areas on York Road.
