1	<p><u>ACION TO ADDRESS RECOMMENDATIONS FOR OMBUDSMAN PUBLIC REPORTS</u></p> <p>SH described the actions taken to address recommendations made by the Local Government and Social Care Ombudsman (LGSCO) in three public reports.</p> <p>Executive Members sought reassurance that staff knowledge and understanding of the changes made following a review of procedures was good so there would be no reoccurrence of what had happened in the future. In response SH described the considerable amount of educational work carried out with both managers and teams.</p> <p>It was noted that a response to Case 1 had already been sent and that a response to Cases 2 & 3 would be sent to the LGSCO on 23 May 2018. This was because some of the actions required to address the LGSCO recommendations involved system changes which had taken a while to implement.</p> <p>Executive Members said they were satisfied with the work carried out to date and the actions that would be taken over the next few week to embed new arrangements.</p> <p>AGREED/ACTION</p> <ul style="list-style-type: none">• That the actions taken to address the recommendations from the Local Government & Social Care Ombudsman be noted.
