

ITEM 15

North Yorkshire Police and Crime Panel

19 July 2018

Work Programme

1 Purpose of Report

- 1.1 To invite the Panel to consider its work programme and provide any suggestions for future items to be taken.

2 Background

- 2.1 The Panel is responsible for setting its own work programme taking into account the tasks that the Panel must undertake and the priorities defined by the Commissioner within the context of the Police and Crime Plan.
- 2.2 A work programme will enable the Panel to plan and focus on how it will effectively support and provide challenge to the Commissioner. The Panel and OPCC will liaise to ensure that the Panel's work programme achieves this through timely and appropriate consideration of items.
- 2.3 The schedule provided at Appendix A therefore takes into account any developments since the last Panel meeting in relation to the timing of other review or scrutiny processes, for example via the NYP Public Accountability Meetings. It also reflects any matters which the Chair or Vice Chairs believe should be reviewed at some point during the year.
- 2.4 Members are invited to consider whether there are any items which need to be included within the forward work programme.

3 Recommendation

- 3.1 It is recommended that the Panel considers and agrees its work programme.
