

**NORTH YORKSHIRE COUNTY COUNCIL**

**Access to Information Procedure Rule 4**

**NOTICE OF PRIVATE ITEM**

**Healthy Choices Service**

The County Council's Constitution provides that at least 28 clear days before a private meeting (a meeting, or part of a meeting, of the executive decision making body during which the public are excluded) the executive decision-making body must give notice of its intention to hold the meeting in private (including a statement of the reasons for holding it in private) by making the notice available at County Hall and at the venue for the meeting (if different) and publishing it on the Council's website.

It is anticipated that on 28 July 2020 a report regarding "Healthy Choices" seeking approval to cease delivery of the Healthy Choices service and to initiate a consultation with affected staff and to delegate decision making around the implementation of the outcome of the staff consultation to the Corporate Director Health and Adult Services, will be considered by the Executive. The item is published on the Forward Plan.

The report is likely to contain exempt information as described in paragraphs 1 (personal information) and 3 (information relating to the financial or business affairs of any particular person (including the authority holding that information)) of Part 1 of Schedule 12A to the Local Government Act 1972 (as amended) and it is considered that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. This part of the meeting may therefore be held in private.

This Notice gives notice of the intention to hold this part of the Executive meeting in private.

Should you wish to make any representations as to why this part of the meeting should be held in public, please contact me using the details below:
