To take a group of 29 guides on an International Guiding visit to Adelboden, Switzerland and visit the International Guide Chalet. The visit is taking place from August 12th to 26th 2011. We would like to apply for funding to visit the Jungfrau, the highest point in Europe. This would be a 'visit of a lifetime' for the girls as it has been described as the 'point between Heaven and Earth'.

3. What are the benefits to the community in terms of added value or outcomes?

This trip will give Guides from very rural backgrounds the chance to experience an International Guiding trip, some of whom have never been abroad before. They will experience life in a different country as well as the different cultures there. We will make links with Guiding groups from not only Switzerland but with groups from around the world via the Guiding Chalet.
