These ground rules are about Team North Yorkshire Health and Wellbeing Board and should apply within and outside of Board meetings. They were adopted by Board members in June 2015.

We have made a commitment that when working together we will treat each other with **respect**, with **openness and honesty**. We will make sure that there is **equality – everyone is of equal value in the room**. We will **contribute and take part, committing to listen and ask questions of each other, checking that what we heard is what was intended**. We believe it is **good to be passionate**, and we know that constructive **challenge is helpful in getting us to a better place**. We must **voice disagreement, otherwise silence implies consent** but recognise that this should be done **with respect** to other points of view. **We shouldn't expect the same sort of challenge in the public arena.**

We have a responsibility to model exemplary behaviour, inside and outside of the HWB meetings, as Board members we should **give and accept support** and **bring collective experience and knowledge to this Board**. Our discussions need to **focus on added value and outcomes** and we must **take responsibility for our decisions**. We should ensure that we **communicate and cascade to our respective audiences and organisations**.

We believe that we should **continually strive to be better and wear our team badges - Team North Yorkshire** with pride.
